

A Christmas to Remember

Chorus:

*You've made this a Christmas to remember
Springtime feelin's in the middle of December
Strangers meet and they willingly surrender
Oh! What a Christmas to remember*

Almost went to Aspen but something told me no
I considered Mammoth but there wasn't enough snow
And I even thought of Gatlinburg but that seemed so far to go
So I headed up to Tahoe for a Christmas on the slopes

And I had fantasized about Christmas in this way
Curled up by a fireplace in a Tahoe ski chalet
With a fast talking lover and some slow burning wood
But even in my wildest dreams it never got this good and

Chorus

Strangers when we met, lovers as we leave
Christmas to remember, too good to believe
Don't know how or when, but I know we'll meet again
We'll come blowin' back to somewhere
like some wild restless winter's wind

Chorus

We loved and laughed and played and joked
Sang Christmas songs and talked to folks
Sleighed the fields and skied the slopes
Then to the lodge for dinner
But now it's time for us to go

As our hearts melt like chimney snow
There's just one thing I want to know
Can we do this next winter
Oh! What a Christmas to remember

Chorus (x2)
